**Connect: Grow together**

1. How did God show up in your life this week?
2. What are you thankful for since the last time we met? Stressed about?
3. Did you follow through on any action steps from last time? How did it go?

**Discover: Let the words sink in**

1. What was the main point of this week's message, in your own words?
2. What jumped out at you?
3. What did this message say about God and about people? If this is true and you acted on it, how might this change your life?
4. How will you apply what you learned before we meet again?
5. Create an "I will" statement based on the message.

**Challenge Questions:**

1. This past weekend we began a series on prayer and fasting and we considered the possibility that the reason many of us are living lackluster lives is that we're living apart from a vibrant relationship with God. What are the challenges you face as it relates to prayer?
2. We are looking for a more full 'life' and we want things like meaning and peace and hope and joy and beauty. How do we 'typically' try to experience those things? How does the truth we communicated Sunday- that the Spirit of God brings that life - cause you to think differently about your efforts?
3. How would you describe the difference between 'talking to' God and 'walking with' God?

**Multiply: Share the Love**

1. Are there any concerns/difficulties that you are currently facing? Is there any way that the group can help?
2. Who else can the group show kindness to?
3. Do you know someone who could benefit from hearing what you have learned?
